WELCOME

It is our great pleasure to announce the HBPSurG Meeting 2019. Members of the HBPSurG 2019 Organizing Committee are looking very much forward to an exciting multidisciplinary annual meeting.

HBPSurG aims to gather World-leaders in hepatobiliary & pancreatic diseases, surgery, and oncology for an outstanding interdisciplinary scientific program and to contribute to the learning of young HBP specialists and trainees.

Experts will exchange their knowledge in the form of Keynote and State-of-the-art Lectures, Symposia and Round tables, while younger experts and trainee are welcome to present their latest work in Oral, Video and Poster sessions.
