Sponsorship file

EDITORIAL

Dear Colleagues,

Sponsorship of this event is an important part of the funding, making knowledge and networking in the industry more accessible, and making it possible for ICTAC Congress to allow registration at affordable rates.

Being a sponsor provides you various very solid elements of visibility prior, during and after the event.

We are looking for dynamic, proactive sponsors to achieve the most successful meeting. A detailed description of each sponsorship possibility is given in the next pages.

Contact us and we'll find together the best way to advertise your company in our meeting !
